Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Saturday 03 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showery for many.

This Evening and Tonight:
Heavy showers and thunderstorms slowly dying out, though a few persisting across Scotland, and further showers affecting southern England later. Clear spells inland allowing a few fog patches to form.

Sunday:
Sunny spells and showers for most, some heavy and thundery, especially across central and northern parts. Low cloud affecting some coasts. Feeling warm in any sunshine.

Outlook for Monday to Wednesday:
Heavy showers/thunderstorms across Scotland Monday, whilst cloud and rain, with strong winds spreads from the south later. Remaining unsettled Tues/Weds, with further heavy rain/showers. Rather cool.
